Mark,

Here is a copy of the letter that I received today from [Ex. 6 Personal Privacy (PP)] of New Martinsville, WV. As I mentioned to you, Lora Werner also received a copy of this letter. Lora and I spoke about this letter this afternoon and she will compose a summary of this situation and expected action later this week. We will be copied on that correspondence. The list of the West Virginia elected officials who received this letter appears at the very end of the letter file.
